Serial No.

Letter No. T.R.C. 5439/47-48 dated the 2nd June 1948 requesting for the reasons stated therein, sanction for the disposal of 13 lorries through by auction in Mrs Frank Abraham on the usual terms & handing over of 26 lorries to the Chief Engineer for Irrigation at upset price of Rs 3,500/- each.

Submitted. The file wherein the D.F.S has solicited sanction for the disposal of 16 more lorries in public auction through M/s Frank Abraham on the usual terms, has been submitted to the Secretary with this office D.No. 2140 dt 1-6-48.

2) The D.F.S now states that after disposing of the above 16 lorries there will still be 39 lorries requiring disposal. These lorries are classified as good, fair, poor & a few as non-runners. Both the D.Fs & the D.D.F.S (Transport) propose to hand over 26 Dodge lorries out of the 39 lorries to the Chief Engineer for Irrigation at an upset price of Rs 3,500/- each, which is considered to be extremely fair & the remaining 13 lorries auctioned through M/s Frank Abraham on the usual terms.

3) The points for orders are as follows:-

1) Sanction for the disposal of 13 lorries in auction through M/s Frank Abraham on the usual terms

2) Directing the Chief Engineer of Irrigation to take over 26 Dodge lorries at an upset price of Rs 3,500/- each.

4) The Secretariat of the D.Fs to auction the 13 lorries may be sanctioned with its concurrence, as the Transport Section is to be wound up by the end of this month.

5) As regards the 2nd proposal of the D.Fs to hand over the 26 lorries to the Chief Engineer for Irrigation at an upset price of Rs 3,500/- each, the Chief Engineer for Irrigation may perhaps be consulted as to whether he is agreeable to take over the lorries for the Depr at an upset price of Rs 3,500/- each.

For Orders.

b) The first proposal may be approved with financial concurrence

7) The second proposal will be dealt with in a separate file in preparation Copy of the letter and sending the same to the P.W. Secty

Food Secy

9) for Fin Secys remarks

Fin. Secy w.f.

10) There was a similar reference about the disposal by auction of the lorries of this Secretariat. I have agreed to their disposal by open auction and this may be done in the present case also

11) As regards the second proposal, the Chief Engineer can be had by telephone and the matter settled quickly. If the P.W or other Dept does not want these, these also have to be disposed at once, so that in the present inclement weather, the vehicles may not deteriorate rapidly and cause govt unnecessary loss

ENCLS. One.

Bangalore, dated.....26th May.....*194*8.

FROM

The Addl. *Director of Food Supplies* (Transport),
in Mysore, Bangalore.

TO

The Chief Engineer for Irrigation,
B A N G A L O R E.

SIR,

LORRIES FOR SALE.

With reference to your letter No.6317/47, dated the 16th April 1948 and No. PC.329, dated 24th May 1948, regarding the Dodge lorries required by the Public Works Department, I have the honour to forward herewith a copy of a list of Dodge lorries still available in this Department, noting the cost paid for each. They are all in working condition. The first sixteen in the list may be inspected in Bangalore immediately. I shall be glad if you will kindly let me hear as early as possible.

pto.

D.O.Letter No.PC.329, dated 24th May 1948, from the Chief Engineer for Irrigation, Public Works Department, Central Office, Bangalore, to the Director of Food Supplies in Mysore, Bangalore.

Thanks for your letter of 18th May 1948. I returned to headquarters only on the 20th and could not reply you earlier. I would like to have only lorries in sound working order, as noted in para 2 of your letter, and I will be glad if you can let me know where they are and when they can be inspected.

D.O.Letter No.TRC.6796/47, dated 18-5-48, from the Director of Food Supplies in Mysore, Bangalore, to the Chief Engineer for Irrigation, Bangalore.

I have received your D.O.Letter No. 32/ dated 17-5-48 (Camp Shimoga), regarding lorries. It would be inconvenient to stop the auction outright, pending inspection. Besides, I think it should be possible for you to arrange for inspection before the date of auction viz., 23rd instant which is sufficiently far off. In case you decide after inspection to take over any of the lorries now advertised for auction, those particular vehicles will not be put up for sale.

2. Even otherwise, I may state that apart from these 20 lorries, the Department has still got in its possession a good number of lorries in sound working order which could be made over to you, in case you wish to have them after inspection.

3. I may add that the information required by you in your letter No.6317, dated 16th April regarding Dodge lorries will be supplied to you early by my Transport Officer who has been reminded in the matter.

" C O P Y "

Addl.Director of Transport.

Dear Janab Khaleel,

DISPOSAL OF LORRIES WHICH ARE IN GOOD CONDITION

I enclose a copy of letter No.TRC.6796/47, dated 18-5-48, to the Chief Engineer for Irrigation, Bangalore and a copy of his No.PC.329, dated 24-5-48 and my reply for favour of your information.

Yours sincerely,

R. N. Mirza

Food Supplies Department, BANGALORE.

Submitted for perusal. The Report of Veterinary Section & Animal Husbandry & the Director of Agriculture are also being consulted in another file, as to whether they are in need of Ford Type lorries. The approval, proposals if any from them including the Chief Engineer for Irrigation & the recommendations of the D.F.S. in the matter will be awaited.

OFFICE OF THE
DIRECTOR OF FOOD SUPPLIES
IN MYSORE,

Bangalore, dated 2nd June *1948*.

From

Sri K.Guru Dutt, B.A.,
Director of Food Supplies in Mysore,
Bangalore.

To,

Janab A.S.Khaleel, B.A., B.L.,
Secretary to the Government of Mysore,
Food & Civil Supplies Department,
Bangalore.

Sir,

I have the honor to invite kind reference to this office No.TRC.5439 dated 25th May 1948 in which I have sought kind permission of Government to auction 16 lorries (most of which are either not in running condition or require very heavy repairs) for auctioning off. As we wish to wind up the Transport Section by 30th June, and time is limited I shall feel grateful if sanction of Government is conveyed as early as possible.

2. After selling the above mentioned 16 lorries there will still remain the question of disposal of 39 motor lorries which may be classified as good, fair, poor and a few as non-runners. Poor runners require constant attention (such as decarbonising, replacement of spare parts, renewal of run down batteries etc.) Naturally the Additional Director Transport, is concerned about their disposal. He feels that after the Transport Office is wound up, if lorries are allowed to lie idle particularly in the open yards exposed to sun and rain, deterioration will set in rapidly and hence he is very keen to hand over before the end of June, lorries to Departments of Government where they can be made use of. As such he has addressed the Chief Engineer, Public Works Department, both irrigation and Roads and offered them for sale 26 Dodge Lorries (which he recommends) out of the 39 mentioned ~~about~~ above. These 26 Dodge lorries are of 1945 model.

lorries (with the tyres) will deteriorate and by delaying we may realise only 30% of what we had hoped to get.

6. It is with this point in mind that I am submitting the above mentioned proposals for favour of consideration and orders. In conclusion, I would like to submit that if possible Government may be pleased to direct the Chief Engineer of Irrigation to take over the 26 Dodge lorries at an upset price of Rs.3,500/- each. The Additional Director of Transport informs me that this figure of Rs. 3,500/- is extremely fair both to the Food Supplies and Public Works Departments.

7. Orders are solicited for:

(i) auctioning of 13 lorries as per attested list through Messrs. Frank Abraham & Co., on the usual terms in addition to the 16 referred in para 1 above.
(ii) Handing over of 26 lorries Dodge to the Chief Engineer for Irrigation at an upset price of - Rs.3,500 each.

I have the honor to be,
Sir,
Your most obedient servant,

Director of Food Supplies.
